Liquor Distribution Team

July 2002

### **Independence Day**

The Fourth of July holiday falls on a Thursday this year. All stores with a Thursday pick date will need to have orders submitted to the Helena office by 4:00 a.m. on Monday, July 1.

### **Commission Increases**

House Bill 348, which passed during the 2001 Legislative Session, allows agents who have been operating for at least three years to receive commission increases beginning July 1, 2002. Agency liquor stores with a sales volume of \$500,000 or more will receive a 0.125% increase. Agency liquor stores with a sales volume of less than \$500,000 will receive a 1.25% increase. These increases are effective for orders that have a July 1, 2002 pick date or later.

### **Insurance Reminder**

As a liquor store agent, you are required to maintain general comprehensive and liquor liability insurance with the State of Montana named as an additional insured. It is essential that the Department of Revenue receive a copy of your renewal certificate yearly. Please send a copy to:
